Part 1: Grammar - The Building Blocks of Language

The first and arguably most extensive part of the book is dedicated to the core principles of English grammar. This section delves into the fundamental elements that constitute sentences and guide their construction.

The Parts of Speech: Identifying the Roles of Words

This is where every grammar journey begins. Wren & Martin meticulously explains each of the eight parts of speech:

1. **Nouns:** From proper and common to abstract and material, the book covers the various types and functions of nouns. Understanding noun agreement and possessives is crucial.

It covers tenses (past, present, future, and their various forms), active and passive voice, moods, infinitives, participles, and gerunds. Mastering **English verb tenses** is a significant hurdle for many learners, and this book provides ample guidance.
4. **Adjectives:** Learners understand how adjectives modify nouns and pronouns, and the book explores degrees of comparison and different types of adjectives.
