Monstrous Mask Making

No 'Where the Wild Things Are' adventure is complete without donning the iconic crown and transforming into Max, or even better, becoming one of the Wild Things! Mask making is a quintessential activity. All you need are basic craft supplies: sturdy cardstock or paper plates, child-safe scissors, glue, crayons, markers, paint, and embellishments like yarn, googly eyes, and craft feathers. Encourage children to look at the illustrations in the book for inspiration, or let their imaginations run wild to design their own unique Wild Thing masks. Think wild hair made from yarn, fearsome teeth drawn with markers, and maybe even some shaggy fur glued on. Don't forget the king's crown for those who want to channel their inner Max!

Wild Thing Puppets

Similar to masks, puppet creation allows for a different kind of interactive storytelling. Cardboard tubes from toilet paper or paper towel rolls make excellent bases for Wild Thing puppets. Kids can cover them with construction paper, paint them, and then add all sorts of imaginative details. Felt scraps, pipe cleaners, and buttons can add texture and personality. Once made, these puppets can star in their own mini-plays, reenacting scenes from the book or creating entirely new adventures. This activity is fantastic for developing storytelling skills and imaginative play.

Sensory Bin: A 'Wild Things' Island Adventure

Bring the island of the Wild Things to your play area with a sensory bin! Fill a large bin with a base material like dried beans, rice, sand, or even green shredded paper to mimic jungle foliage. Add small toy dinosaurs, plastic bugs, smooth stones, and twigs to represent the island's landscape. Include small figurines of Max and the Wild Things. This sensory experience is wonderful for tactile exploration and imaginative play, allowing children to create their own narratives and explore the environment depicted in the book.

Painting and Drawing the Wild Things

Sometimes, the simplest activities are the most effective. Set up an easel or a large table with paper and art supplies. Encourage children to draw or paint their favorite Wild Thing, or to create their own original creatures. Discuss the characteristics of the Wild Things: their big eyes, sharp teeth, and shaggy fur. This helps them observe details and translate them into their artwork. You can even have a "Wild Thing Art Gallery" to showcase their creations!

Bringing the Wild Rumpus to Life: Movement & Dramatic Play

Where the Wild Things Are is inherently about movement and expressing emotions. The "wild rumpus" is the heart of the story, and these activities aim to capture that joyous, unrestrained energy.

The Great Wild Rumpus Dance Party

Turn up some energetic music and let the wild rumpus begin! Encourage children to move like their favorite Wild Thing. Do they stomp their feet like a hulking beast? Do they swing their arms like a creature in flight? Do they roar and howl? You can even have "statues" where they freeze in a Wild Thing pose. This is a fantastic way to burn energy, encourage creative expression through movement, and simply have a lot of fun.

Acting Out the Story

Assign roles to children (or let them choose!) – Max, the various Wild Things, even the forest that grows in Max's room. Encourage them to read the book aloud or to improvise dialogue. This dramatic play activity not only reinforces their understanding of the story but also builds confidence, communication skills, and empathy as they step into different characters' shoes.

Building a Fort: Max's Bedroom and the Wild Island

Max's bedroom transforms into a wild place, and the island itself is a landscape to explore. Building a fort is a natural extension of this. Use blankets, pillows, chairs, and cardboard boxes to create Max's room. Then, extend the fort to become the wild island. This encourages problem-solving, teamwork, and imaginative play as children create their own spaces for adventure. They can even bring their Wild Thing crafts inside their forts!

Food can be a wonderfully engaging way to connect with a theme. These 'Where the Wild Things Are' food ideas are sure to be a hit.

This helps children develop emotional literacy and coping mechanisms.
