

How to get a boy to ask you out

Unleashing the Inner Siren: How to Attract, Not Beg, for a Date Have you ever felt like you're playing a complicated game of cat and mouse, constantly trying to decipher the unspoken signals of a potential romantic interest? You're not alone. Navigating the world of dating, especially in the early stages, can feel like a perplexing puzzle with missing pieces. I've been there, analyzing every subtle glance, wondering if my carefully crafted charm was enough. But what if the secret to attracting someone isn't about strategizing, but about embracing your authentic self? (Image: A photo of a confident woman smiling genuinely, surrounded by a vibrant collection of books, art supplies, and a quirky pet. The image exudes warmth and genuine interest.) My first foray into the dating scene was a whirlwind of awkward silences, forced conversations, and the agonizing wait for that magical text message or call. I felt like I was constantly adjusting myself, trying to fit into a mold that wasn't mine. It wasn't until I started prioritizing self-discovery and embracing my passions that things began to shift.

The Illusion of Control

The desire to "get a boy to ask you out" often stems from a misguided belief that we need to manipulate or change ourselves to achieve this. We imagine that charm, perfection, or constant availability will magically unlock the door to a relationship. This is fundamentally flawed. (Image: A cartoon depiction of a woman meticulously crafting a "perfect" profile for an online dating app, complete with curated photos and carefully crafted descriptions. The cartoon woman is constantly tweaking the profile as a desperate attempt to attract someone.)

The Myth of the "Getting"

In reality, genuine connections aren't about "getting" someone. They're about presenting the best version of yourself and allowing the natural flow of attraction to take its course. Trying too hard can often have the opposite effect. It can come across as desperate or artificial, potentially deterring the very person you're hoping to attract. (Anecdote: A personal experience of feeling overly eager and how it affected a potential connection. Describe how genuinely enjoying yourself during shared activities attracted more genuine interest.)

The Importance of Authentic Connection

Instead of focusing on tactics to "get" a boy to ask you out, concentrate on cultivating authentic connections. Engage with people based on genuine interest in their passions, stories, and perspectives. Focus on creating meaningful conversations, listening more than you speak, and demonstrating genuine curiosity. This approach fosters respect and mutual attraction that goes beyond superficial gestures.

Beyond the "Get": Building a Life You Love

The energy you invest in cultivating your own happiness and passions is magnetic. Attracting a compatible partner isn't about seeking validation from someone else, but about radiating your unique and captivating qualities.

Embrace Your Passions

This isn't about becoming someone you're not. It's about exploring your interests, whether it's painting, hiking, reading, or volunteering for a cause you care about. The more you immerse yourself in activities that bring you joy, the more vibrant and engaging you'll become, drawing in people who share similar values and interests. (Image: A collage showcasing different hobbies – from playing music to cooking to gardening. Each activity illustrates the vibrancy and passion associated with it.)

Nurture Your Inner Circle

Strong friendships and supportive relationships are crucial. Surrounding yourself with people who appreciate and value you creates a foundation of self-confidence that's attractive in itself. They will also introduce you to new people and opportunities. (Anecdote: A personal story of how strong female friendships provided support and introduced opportunities for dating.)

Focus on Personal Growth

Continuous learning and self-improvement, whether it's taking a class, pursuing a new skill, or simply practicing self-care, are attractive qualities. The energy that comes from confidence and resilience is palpable and draws others in.

The Benefits of Self-Focus (and why they are not the sole focus)

While it's important to cultivate your life, "getting a boy to ask you out" isn't a goal, but a potential result. • Increased Self-Confidence: Understanding your strengths and passions boosts your self-esteem. • **More Meaningful Connections**: Focusing on authentic interactions creates lasting relationships. • *Personal Fulfillment*: Pursuing your passions brings deep satisfaction. • **Attracting Compatible Partners**: Surrounding yourself with positivity creates an environment to attract someone who appreciates you. The Path of Patience and Authenticity

Ultimately, the most fulfilling relationships develop organically, based on shared values and genuine connection.

Embrace the Unpredictable

Dating isn't a guaranteed outcome, but a journey of exploration and discovery. Be prepared for both successes and setbacks, and remember that not every interaction will lead to a romantic connection. (Anecdote: A personal story about navigating rejections and keeping a positive attitude.)

Don't Force the Issue

Respect boundaries, give space, and allow the natural progression of a relationship to unfold at its own pace. Focus on building a deep connection before any expectation of romantic involvement.

The Art of the Ask: How to Gently Guide Him Towards Asking You Out

So, you've met someone. He's got that spark, you've shared some laughs, and you're definitely feeling a connection. But here's the snag: he hasn't actually **asked** you out yet. In a world where sometimes traditional roles are blurring and dating can feel like a minefield, you might be wondering how to navigate this. Is it okay to hint? Should you just go for it yourself? Or is there a subtle dance you can do to encourage him to take that step? This article is all about that delicate art of guiding a guy towards the glorious moment when he finally asks you out. We're not talking about manipulation or playing games. Instead, we're focusing on genuine connection, clear communication (even if it's non-verbal), and building the kind of rapport that makes him **want** to ask you out. Get ready to feel more confident and in control of your dating destiny!

Understanding the Male Perspective (When It Comes to Asking)

Before we dive into the “how-to,” it’s worth pausing to consider *why* a guy might be hesitating. It’s not always about a lack of interest!

Fear of Rejection: The Silent Killer

Let’s be honest, rejection stings. For many guys, the act of asking someone out is a vulnerable moment. They’ve put themselves on the line, and the fear of hearing a “no” can be a powerful deterrent, even if they’re pretty sure the answer is “yes.” This is especially true if they’re more introverted, less experienced in dating, or if they genuinely care about your feelings and don’t want to make you uncomfortable.

Uncertainty About Your Interest

Sometimes, guys can be incredibly dense. Or, they might be picking up on mixed signals. If you’re being overly friendly and casual, they might interpret it as platonic interest. If you’re being super reserved, they might think you’re not interested at all. Clarity, even in subtle ways, is key.

The "Friend Zone" Dilemma

This is a classic. You’ve developed a great friendship, and he might be terrified of ruining that by making a move. He might be worried that if he asks you out and you say no, your entire dynamic will change, and he’ll lose you as a friend.

Not Quite Ready (Yet)

It’s possible he likes you a lot, but he’s just not in the right headspace for dating right now. Perhaps he’s going through something personally, or he’s just enjoying the current phase of getting to know you without the pressure of a formal date.

Laying the Groundwork: Building Connection and Rapport

The best way to get a guy to ask you out is to make him *want* to. This starts with building a genuine connection and making him feel comfortable and excited around you.

Be Your Awesome Self (Seriously!)

This sounds obvious, but it’s the most crucial part. Authenticity is attractive. Don’t try to be someone you’re not. When you’re relaxed and genuine, you radiate confidence and make it easy for him to connect with the real you. Show off your personality, your quirks, your sense of humor, and your passions.

Engage in Meaningful Conversations

Go beyond superficial small talk. Ask him open-ended questions about his interests, his dreams, his opinions. Listen actively and show genuine curiosity. Share your own thoughts and experiences. This creates a deeper bond and shows him that you’re interested in him as a person. Topics like shared

hobbies, future aspirations, and even lighthearted debates can be great conversation starters.

Find Common Ground and Shared Interests

Discover what you have in common. Do you both love a certain band? Are you both into hiking? Do you have a shared sense of humor? Highlighting these shared interests can create a sense of "we" and make him feel like you're a natural fit. It gives him something concrete to suggest for a date. Think about activities that align with these shared passions.

Show You're Approachable and Friendly

Smile! Make eye contact. Be open to conversation. If you're always glued to your phone or looking away when he approaches, he might feel intimidated or like you're not interested in interacting. A warm and approachable demeanor makes it easier for him to initiate contact.

Subtle Signals: How to Hint Without Being Obvious

Once you've established a connection, you can start dropping subtle hints to let him know you're open to more. The key here is to be suggestive, not demanding.

The Power of Compliments

Genuine compliments go a long way. Instead of just saying "You're nice," try something more specific and personal. "I really admire how you handled that situation," or "You have such a great sense of humor, you always make me laugh." Compliments about his personality, intelligence, or a specific skill are often more impactful than superficial ones.

Expressing Interest in His Activities

If he mentions something he's doing or plans to do, express enthusiasm and curiosity. For example, if he says he's going to check out a new exhibition, you could say, "Oh, that sounds amazing! I've been wanting to go there." Or if he mentions a band playing nearby, you might say, "I love them! I wish I had someone to go with." This plants the seed for a potential invitation.

Flirtatious Banter (When Appropriate)

A little playful teasing or lighthearted flirting can signal your interest. This doesn't mean being overly forward. It could be a wink, a playful nudge, or a teasing remark that's clearly meant in good fun. The goal is to create a spark and make the interaction more charged.

Creating Opportunities for One-on-One Time

If you consistently only interact in group settings, it might be harder for him to see you as a potential date. Try to engineer situations where you can have a brief, more intimate conversation. This could be walking to your cars together, grabbing a quick coffee after a group event, or simply finding a moment to chat

when others are occupied.

Direct (But Not Too Direct): When Subtle Isn't Enough

Sometimes, subtlety can be misinterpreted. If you feel like you've tried the indirect approach and nothing is happening, you might need to be a *little* more direct.

The "Hypothetical" Question

This is a classic for a reason. You can pose a question that indirectly prompts him to consider asking you out. For example, "I was thinking of checking out that new cafe downtown. Have you been? I heard it's really good." Or, "There's a concert next week for that band we both like. It would be fun to go, but I don't know anyone else who's into them." This gives him an easy out to suggest going together.

Referencing Past Dates or Potential Dates

If you've talked about past dating experiences or things you'd like to do on a date, you can subtly bring it up again. "Remember when we were talking about that amazing Italian restaurant? I've been craving pasta ever since." This reminds him of your shared interests and the idea of a date.

The "I'm Free" Approach

If you know he's interested in a particular activity and you happen to be free, you can let him know. "Hey, I know you mentioned you wanted to see that movie. I'm actually free this Saturday if you're still planning on going." This is a clear indication of availability and interest.

What NOT to Do (Common Pitfalls to Avoid)

While you're trying to encourage him, there are some things that can actually push him away.

Don't Be Desperate or Needy

Constantly texting him, demanding his attention, or acting like you can't live without him will be a major turn-off. Confidence and independence are incredibly attractive qualities.

Don't Play Hard to Get (Excessively)

While a little mystery can be good, being constantly unavailable, aloof, or playing mind games will likely just confuse him or make him lose interest. There's a fine line between confident and unattainable.

Don't Talk About Other Guys (Unless It's Strategic and Subtle)** Constantly mentioning other guys you're talking to or going out with can make him feel like he's just a backup option or not enough. If you *do* mention another guy, it should be in a way that highlights his own shortcomings in comparison to the person you're interested in (use this tactic sparingly and

with caution).

Don't Rely Solely on Indirect Cues

As mentioned, sometimes directness is necessary. If you're just dropping hints and he's not picking up on them, he might genuinely not know you're interested.

What If He **Still Doesn't Ask?**

This is the tough part, but it's important to be realistic. If you've employed these strategies and he's still not making a move, it might be time to reassess.

Is He Truly Interested?

It's possible that his actions, despite your best efforts, indicate a lack of romantic interest. Maybe he enjoys your company as a friend, but doesn't see you in a romantic light.

Could He Be Unsure of **Your Interest?** Even with subtle hints, sometimes men can be hesitant if they're not absolutely certain you're interested.

Consider a Direct Conversation (If You're Ready)

If you're feeling brave and the connection is strong, you could consider a more direct conversation. This doesn't have to be a grand declaration of love. It could be something like, "I've really enjoyed getting to know you, and I was wondering if you'd be interested in going out sometime?" This takes courage, but it provides clarity.

Accept and Move On (If Necessary)

Ultimately, you can't force someone to ask you out. If he's not going to, it's okay. There are plenty of other people out there who will appreciate your charm and be eager to take you on a date. Don't waste your energy on someone who isn't on the same page.

The Takeaway: Confidence and Clarity are Key

Getting a guy to ask you out isn't about manipulation; it's about building a genuine connection, showing your interest in a way that feels natural and confident, and sometimes, offering a gentle nudge in the right direction. By understanding his perspective, laying a strong foundation of rapport, and using subtle (or not-so-subtle) cues, you can increase your chances of hearing that magic question. Remember, the most attractive quality is often confidence. Be yourself, be open, and trust that the right person will be drawn to your authentic glow. Happy dating!

Understanding the Dynamics: How to Encourage a Boy to Ask You Out

Getting a boy to ask you out isn't about manipulation or guessing his thoughts—it's about building genuine connection and creating the right atmosphere where confidence and chemistry can flourish. Many young people struggle with the fear of rejection or misread social cues, which can make the idea of being asked feel out of reach. But instead of focusing solely on the outcome, it's more effective to shift attention toward fostering authentic interaction, emotional openness, and mutual interest. This approach not only increases the likelihood of being asked but also nurtures a foundation of respect and sincerity in your relationship with him.

Cultivating Confidence Without Overdoing It

One of the most powerful signals you can send is genuine self-assurance. Confidence is attractive, but it must feel natural, not forced. Rather than trying to appear perfect or overly polished, embrace your authentic self—your quirks, passions, and values. When you engage with others from that place of truth, you naturally draw people who appreciate you for who you are. Avoid the temptation to overcompensate by performing or pretending to be someone you're not, as this often leads to mismatched expectations. Instead, practice small acts of self-care and confidence-building—speak clearly, maintain eye contact, and listen actively. These behaviors not only boost your presence but also make interactions more engaging and memorable.

Creating the Right Moments for Connection

Timing and context matter deeply. Rather than waiting for him to ask, take the initiative to create opportunities where conversation flows easily. Whether it's during a shared class discussion, a group hangout, or a casual moment after a shared activity, look for natural entry points to connect. Show genuine interest in his thoughts, hobbies, and experiences—ask thoughtful questions and listen with curiosity. These small exchanges build rapport and subtly signal your openness to deeper connection. The more you engage meaningfully, the more likely he is to notice you not just as a person, but as someone worth investing time in.

Communicating Your Interest Thoughtfully

When the moment feels right, expressing your feelings requires delicacy and sincerity. Rather than placing direct pressure, communicate your interest through subtle cues—like sharing a personal story that invites openness, or gently teasing a playful comment that reveals your feelings. Pay attention to his body language and responses; genuine reciprocity, even in small ways, is a strong indicator. If he responds warmly or shows interest, take that as a green light to deepen the connection. But remember, respect is paramount—always honor his pace and boundaries, understanding that consent and comfort are non-negotiable.

Long-Term Benefits of Building Authentic Relationships

Focusing on how to get someone to ask you out transforms from a transactional goal into a broader journey of personal growth and emotional intelligence. By cultivating confidence, meaningful communication, and authentic presence, you develop skills that enrich all areas of life. These connections, rooted in mutual respect and shared moments, often lead to deeper, more fulfilling friendships—or, when the timing is right, romantic ones. More than just the act of being asked, the real reward lies in learning to express yourself fully, build trust, and navigate social interactions with grace. Looking ahead, this mindset fosters resilience, emotional awareness, and healthier relationship patterns that extend far beyond the initial moment of being asked.

Looking Forward: The Future of Connection in a Digital Age

As technology continues to shape how we meet and connect, the principles of authenticity and emotional presence remain timeless. While social platforms offer new opportunities to interact, they can also amplify insecurities or encourage superficial exchanges. The future of meaningful connection lies in balancing digital convenience with genuine human engagement—using screens to foster real understanding rather than replace it. By staying grounded in self-awareness, empathy, and respectful communication, young people will continue to build relationships that are not only more fulfilling but also rooted in mutual respect and emotional safety. In this evolving landscape, the ability to draw someone in through sincerity and confidence will remain a powerful and enduring skill.

In the intricate dance of modern courtship, the question of how to navigate from initial attraction to a concrete date can be a source of considerable thought and, for many, a touch of anxiety. While the societal landscape of dating is constantly evolving, the desire for a meaningful connection often remains. For those who find themselves wondering "how to get a boy to ask you out," understanding the subtle art of signaling interest and fostering a positive environment is key. This guide delves into the strategies, psychology, and practical advice for turning a mutual spark into a confirmed invitation.

Understanding the Dynamics of Attraction and Invitation

Before diving into specific tactics, it's crucial to grasp the underlying principles at play. Attraction isn't solely about looks; it's a complex interplay of personality, confidence, shared interests, and perceived compatibility. When a boy is considering asking someone out, he's often weighing a combination of factors: Is she interested in me? Do we have things in common? Will I enjoy spending time with her? Will she say yes? Your goal, therefore, is to provide affirmative answers to these unspoken questions, subtly and authentically.

The Importance of Confidence and Self-Worth

Confidence is arguably the most attractive quality. When you exude self-assuredness, you signal that you're comfortable in your own skin and believe you have something valuable to offer. This doesn't mean

being arrogant, but rather possessing a healthy sense of self-worth. When you like yourself, others are more likely to like you too. This internal validation translates externally, making you more approachable and desirable. Focus on your passions, your achievements, and your unique qualities. When you genuinely feel good about yourself, it's palpable, and it's incredibly attractive.

Reading the Signs: Is He Interested?

Before you invest energy into trying to get him to ask you out, it's wise to assess if there's already a foundation of mutual interest. Look for non-verbal cues: prolonged eye contact, genuine smiles, mirroring your body language, and finding excuses to be near you. Verbal cues include remembering details about you, asking thoughtful questions, and engaging in reciprocal conversation. If you're noticing these positive signals, it's a strong indicator that he's open to the possibility of a date, and your efforts to encourage him will be more fruitful. Learning to interpret these romantic signals is a vital part of the dating process.

Subtle Strategies for Signaling Your Interest

The art of getting a boy to ask you out often lies in subtle, non-verbal communication and thoughtful engagement. Directly asking a boy out can sometimes be perceived differently than a more organic invitation, and for many, the desired outcome is to be pursued. Here's how you can gently steer the conversation and create an environment ripe for him to make his move.

The Power of Genuine Engagement and Conversation

Active listening is a superpower in dating. When you engage in conversations, truly listen to what he's saying, ask follow-up questions, and share your own thoughts and experiences. Show genuine curiosity about his life, his hobbies, his aspirations. This creates a sense of connection and makes him feel seen and heard. When someone feels understood and appreciated, they are more likely to want to deepen that connection. Remember, meaningful conversations are the bedrock of any budding relationship. Think about effective communication techniques for building rapport.

The Art of the Compliment (When and How)

A well-placed, sincere compliment can be incredibly effective. Instead of generic flattery, focus on specific qualities you admire. For example, "I really admire how passionate you are about [his hobby]" or "You have such a great sense of humor, you always make me laugh." These compliments are specific and personal, making them more impactful. They show you've paid attention and genuinely appreciate him, which can boost his confidence and make him feel more comfortable expressing interest. Be mindful of overdoing it; sincerity is key.

Creating Opportunities for Shared Experiences

Shared experiences build bonds. If you know he enjoys a particular activity, subtly mention your interest in it. For instance, if he's a fan of a certain band, you could say, "I've been meaning to check out their new

album," or if he likes a specific type of cuisine, "I've been wanting to try that new [type of restaurant] place." This opens the door for him to suggest going together. Even casual encounters, like bumping into each other at a coffee shop or a bookstore, can be opportunities to deepen the conversation and hint at shared interests.

Leveraging Social Media and Online Presence (Strategically)

In today's digital age, your online presence can play a role. If you share common interests online, engage with his posts in a thoughtful way. Like posts that genuinely interest you and leave insightful comments. This shows you're paying attention and have common ground. However, avoid excessive liking or commenting, which can come across as desperate. The goal is to be visible and engaging, not overwhelming. Consider how to maintain a positive digital footprint.

Fostering the Right Environment for Him to Ask

Beyond signaling your interest, it's also about creating a comfortable and encouraging space where he feels confident and motivated to take the next step. This involves a combination of projecting availability, demonstrating enthusiasm for his company, and subtly encouraging his initiative.

Projecting Approachability and Warmth

Your demeanor significantly impacts how others perceive you. Smile often, maintain open body language (uncrossed arms, direct gaze), and be generally friendly and approachable. When you seem happy and at ease, you're more likely to invite interaction. If you're constantly looking down or appearing closed off, it can be intimidating for someone to approach you. A welcoming presence makes it easier for him to feel comfortable initiating contact.

Showing Enthusiasm for His Company

When you spend time together, be present and engaged. Show that you're enjoying his company. This can be through laughter, enthusiastic conversation, and positive non-verbal cues. If he feels like you genuinely appreciate his presence and find him enjoyable to be around, he'll be more inclined to want to spend even more time with you, which can naturally lead to him asking you out. Remember, positive reinforcement is a powerful motivator.

The "Yes, And..." Approach to Invitations

If he suggests a casual activity, even if it's not a formal date, lean into it. If he says, "We should grab coffee sometime," respond with enthusiasm and suggest a specific time or day. This shows you're open to spending time with him and makes it easier for him to transition from casual hangouts to more intentional dates. It's about building momentum and making the next step feel natural.

Subtle Hints About Future Activities

You can subtly plant seeds for future dates. For example, if a new movie is coming out that you know he's interested in, you might mention, "I've heard great things about [movie title], I'd love to see it." This is a direct invitation for him to suggest going together without you having to explicitly ask him out. It's a way of expressing desire without putting him on the spot. Consider creative date ideas that you can hint at.

What to Avoid: Common Pitfalls

While employing strategies to get a boy to ask you out, it's equally important to be aware of what might hinder the process. Certain behaviors can inadvertently push him away or create an impression that is not conducive to him making a move.

Appearing Desperate or Needy

Desperation is a significant turn-off. Avoid excessive texting, constantly seeking his attention, or making him feel like he's the only person you're interested in. Projecting an air of needing validation can be off-putting. Focus on living your own fulfilling life and allowing the connection to develop organically. Your independence is attractive.

Playing Hard to Get (Excessively)

While a little mystery can be intriguing, playing too hard to get can lead to him losing interest or assuming you're not interested at all. If you're consistently unavailable, unresponsive, or dismissive, he might assume you're not interested and move on. The goal is to be approachable and show interest, not to create an insurmountable barrier.

Overthinking Every Interaction

While analyzing interactions can be helpful, obsessing over every word and gesture can lead to unnecessary stress and misinterpretations. Trust your instincts and try to enjoy the process of getting to know someone. Sometimes, things unfold naturally without needing to overanalyze. Focus on genuine connection rather than strategic manipulation. This advice applies to navigating online dating as well.

The Bottom Line: Authenticity and Patience

Ultimately, the most effective way to get a boy to ask you out is to be your authentic self, exude confidence, and foster genuine connection. While these strategies can help guide the process, they are most effective when rooted in sincerity. Be patient; sometimes, the timing needs to be right, and forcing a situation rarely leads to the desired outcome. Focus on building a connection, showing your true personality, and letting the relationship develop at its own pace. The right person will be drawn to your genuine self and will be eager to ask you out.

Questions & Answers About how to get a boy to ask you out

No	Question	Answer
1	What are subtle ways to show a guy you're interested without being too direct?	Make consistent eye contact, smile genuinely when you see him, engage in conversations about his interests, and use positive body language like facing him and mirroring his posture. Small compliments on his personality or achievements can also go a long way.
2	How can I create opportunities for him to ask me out naturally?	Suggest activities you both enjoy, like 'Oh, I've been wanting to try that new coffee shop,' or 'Have you seen that movie? We should go sometime.' If you share a common interest, bring it up and see if he suggests doing it together.
3	Should I hint that I'm single and available?	You can subtly mention plans you're looking forward to, or if you're talking about relationships, you could mention what you appreciate in a partner. This can signal that you're open to dating without explicitly stating it.
4	What's the best way to gauge his interest before making a move?	Observe his behavior: Does he initiate conversations? Does he seem excited to talk to you? Does he remember details you've shared? If he reciprocates your efforts and shows genuine interest, it's a good sign he might be considering asking you out.
5	Is it okay to be the one to initiate conversation or ask him to hang out first?	Absolutely! Initiating conversation is a great way to build rapport. Asking him to hang out in a low-pressure, group setting or for something casual like grabbing coffee can also be a good step. It shows confidence and can pave the way for him to take the next step.
6	How important is my appearance in making him want to ask me out?	While attractiveness plays a role, confidence and authenticity are often more compelling. Focus on presenting yourself in a way that makes you feel good, whether it's through your style or simply your positive energy. Being comfortable and confident is highly attractive.
7	What if he's shy? How can I encourage him without scaring him off?	Be extra patient and encouraging. Offer open-ended questions to help him feel more comfortable sharing. Keep interactions light and positive. If you're comfortable, you can offer very low-pressure suggestions for spending time together, making it easy for him to say yes.
8	How long should I wait before he asks me out? Should I give up if it takes too long?	There's no set timeline. Focus on building a genuine connection. If after consistent interaction and showing interest, he's still not making a move, it might be a sign he's not that interested or is hesitant. At that point, you can either have a direct conversation or gracefully move on.
